SJCA.OP/1 Board of Trustees

(Name of the top Board when SJC/ME was two-tiered, i.e., Board of Trustees (the Leadership Team of the Sisters of Mercy in Maine and the Board of Overseers (consisting of Sisters and lay men and women) 1969 – 2005. Within this time span "Overseers" changed to "Governors in 1980 and reverted to "Overseers" in 1988. When the College became a member of The Conference for Mercy Higher Education in 2005, SJC's governing structure became one-tiered and " Board of Governors" became the "Board of Trustees" on which Sisters were to constitute no fewer than 1/4th of its membership. Now a member of the Conference for Mercy Higher Education no fewer than four Sisters of Mercy must have Trustee status)
