## READY TO EARN YOUR BACHELOR'S DEGREE?

Saint Joseph's College offers a complete college experience that goes far beyond simply earning a degree. Through field opportunities, community service projects, extracurriculars, and internships, Saint Joseph's equips you with the knowledge, skills, and experience to pursue your dream career.

Saint Joseph's welcomes transfer students like you. For our campus program, you can apply for admission for the fall or spring semester. You do not need an associate's degree to apply for any program.

We have partnerships with many community colleges to help ensure your smooth transition from a 2-year institution.

# PROGRAMS THAT FIT YOU

# Career Preparation

Whether you're entering the job market for the first time or advancing your existing career, it's crucial to get the right education. Saint Joseph's College offers a variety of practical and relevant learning opportunities, including internships, community-based learning, and service learning. Our Career Development Center provides professional advice, workshops, and résumé/interview preparation.

## OUR GRADS ARE HIRED BY GREAT ORGANIZATIONS

AMERICAN RED CROSS

UNUM CORPORATION  
U.S. DEPARTMENT OF HOMELAND SECURITY

## CONNECTIONS PROGRAM

The Connections Program is an experiential learning promise. Students are eligible for a \$2,000 stipend through our Career Development Office to embark on a hands-on experience of their choosing in either their junior or senior year.

# Loan Repayment

## ASSISTANCE PROGRAM (LRAP)

### WE CAN HELP YOU PAY BACK YOUR STUDENT AND PARENT LOANS

Introducing our innovative Loan Repayment Assistance Program (LRAP) — if your income after graduation is less than \$45,000, we can help you pay back your federal, private, and parent plus loans. Follow your dreams, both on campus and after graduation, without the burden of debt.

### YOUR FUTURE SECURED

The Loan Repayment Assistance Program (LRAP) is a financial safety-net we offer at no cost to you or your family. LRAP is one more way we help you achieve your long-term goals from the day you step foot on campus, until you are earning a stable income after graduation, confident that educational loans won't hold you back from a successful future.

## HOW TO GET LRAP

**YOU PAY NOTHING.** This is one more way we invest in your success.

- Review and sign your LRAP Award.
- Enroll and graduate from our college, with a bachelor's degree.
- Work at least an average of 30 hours per week – in any profession, or more than one job (if needed).
- Begin repaying your federal, private alternative or parent PLUS loans.

*This is only a summary. Please see your specific LRAP Award for full details.*

## QUESTIONS?

[sjcme.edu/admissions](http://sjcme.edu/admissions)

# Take Your Education Further

## 1. CONSIDER YOUR TRANSFER CREDITS

We accept credits for courses taken at accredited institutions with a grade of 2.0 or above, if the course is comparable to a course offered at Saint Joseph's and is relevant to your proposed program of study.

Credit can also be awarded for military experience, Advanced Placement exam scores, credit-by-examination, or an experiential learning portfolio. Credit for coursework taken at non-accredited institutions may be granted on a provisional basis. Students must complete a minimum of 32 credits at Saint Joseph's College in order to meet degree requirements.

## 2. PLAN YOUR FINANCES

Financial aid is available in the form of merit scholarships, federal grants and loans, and work-study programs. Our Transfer Scholarships for campus

students range from \$11,000 to \$19,000 to help make SJC an affordable option. Ask about our Visit Scholarship. Apply for financial aid by filing your Free Application for Federal Student Aid (FAFSA) as soon as possible after January 1 each tyear, to ensure you receive the maximum amount of available aid.

## 3. APPLY NOW

Use the Common App or SJC App to apply online. Make sure to add Saint Joseph's College to your list of "My Colleges."

## 4. VISIT [SJCME.EDU/TRANSFER](https://sjcme.edu/transfer)
